

CELL LEADER'S GUIDE: 31st January 2018

To be used by the leader of the cell meeting only

Ice breaker: What in your life other than property would you exchange for a million dollars?

Worship: *My mouth is filled with your praise, declaring your splendor all day long. Psalm 71:8*

YOU MATTER!

Our theme this year is **YOU MATTER**. As Watoto Church we are saying that you matter because you were created by God as the crown of His creation. Therefore, value yourself the way God values you and value others because they matter.

Text: Genesis 1:26-28, Psalms 139:13-18

1. Sometimes we treat people based on our "perceived value" of them rather than their God given value. *Share instances where you were treated as though you did not matter.*
2. We learnt that a person's value is determined by God. *What are some of the things that people do that show they don't value themselves?*
3. How does the truth that our value comes from God change the way we live?
4. Each one of us matters because we were created in God's image. We also have a unique purpose to make a contribution to this world. *Please share how you are making a contribution to change someone's life.*

Let's pray that God will help us see the value He places on us as His children, and also help us discover the purpose for which he created us.

Announcements
