

CELL LEADER'S GUIDE: 14th February 2018

To be used by the leader of the cell meeting only

Ice breaker: What is the craziest thing you've done for love?

Worship: *My mouth is filled with your praise, declaring your splendor all day long. Psalm 71:8*

YOU MATTER! Community Matters!

Since **Community Matters** to God, it should matter to us His people because we are the feet, hands, eyes, ears and mouths of Jesus in the community.

Text: Psalms 24:1, Jeremiah 29:4-11, Nehemiah 2:11-17.

1. Think about the state of your community; does it glorify God? If not, share some of those things in your community that do not glorify God.
2. We ought to engage Community and contribute to its wellbeing because it matters! From the stories of Jeremiah and Nehemiah, what are some of the lessons we learn about caring for community?
3. Share as a cell, how you are committing to engage your community this year.
