As a Church, we want to spend the next couple of weekends learning principles about building Strong, Healthy and Happy families because Family matters.

ev< tKGenesis 2:18-25, Psalm 28.1-4

- 1. Describe what a strong, healthy and happy family looks like to you.
- 2. Family is a unique institution that God established to meet the essential needs of man.
How does your family meet your need?
- 3. As a member of a family, how can you contribute to its being strong, healthy and happy?

We see many families are broken and characterized by conflict, disunity, violence and many others. Let’s pray for the restoration of the ideal picture of family that God created.
