*Each one of us was created for community. This is why as a Church we celebrate Christ and we care for one another within small groups called cells.*

**Text:** Acts 2:42-47

1. From the passage we see the idea of cell (small groups), where it says "... *attending temple together and breaking bread in their homes...*" What are some of the benefits of attending cell regularly? Acts 2: 46-47
2. It's clear from the scripture we've read that cells (small group) meetings by believers in the early church had great impact. Acts 2:47. Why was this so?
3. What practical steps can we take as a cell to allow:
  - a) Growth and discipleship of members. Acts 2:42
