## **Guidelines for Online Cell Meetings.**

**Online:** Identify a cell meeting time that is appropriate for everybody and **communicate** on the group chat well ahead of time **inviting all the members to be part**. Remember to **Start the meeting on time**; and also **remind members to avoid interrupting on-going discussions**, e.g., by posting unrelated issues or videos. After the discussions, **encourage the members to take time and pray individually** for the prayer items as you close. The online cell session should take between 1hr -1hr 30 mins.

**In-person:** For cells meeting physically, please do not forget to follow the MoH safety guidelines.

## **CELL LEADER'S GUIDE: 12<sup>th</sup> January 2022**

**Ice breaker:** Do you like 'old and familiar' or do you tend to prefer 'new - even before you are sure if it's better'?

**Worship:** Worship the Lord in song

## NEW MIRACLES, NEW OPPORTUNITIES, NEW WAYS

**Text:** Isaiah 43:18-19

1. What one thing are you most thankful to God for from the last 2 years of disruption?
2. In this New Year, are you looking to God to restore the past or do you have an expectation for something new and even better in 2022?
3. What does God mean when He says "BEHOLD, I'm doing a new thing"?
4. Philippians 3:13-14. Are you open to God accomplishing HIS purposes in your life this year - even if it means change (of job, location, home, circumstance etc) or are you afraid of the new?

### PRAYER;

A) Proverbs 19:21 May God give us both courage and zeal to see and recognize the times in which we are living, and to embrace the NEW that he is going to unfold before our very eyes in 2022 if we are willing to 'go for him'. (Isaiah 6:8).

B) Pray with expectation for NEW miracles - not like yesterday's, NEW opportunities even better than yesterday's and to recognize when God works in a NEW way not the same as yesterday.
